

## PREMIA MOTO SERIES

*PREMIA MOTO SERIES* designed to meet the latest standard on motorcycle engine oil which accommodates complex friction characteristics on different type of motorcycle engine both single lubrication system and dual lubrication system.

*PREMIA MOTO SERIES* posses a unique blend of semi-synthetic premium quality base oil, most suitable for tropical climate, and optimum combination of premium additives to enhance lubricant performance.

*PREMIA MOTO SERIES* offer better frictional characteristics for manual, semi-automatic and automatic type of motorcycle engine. It complies with Japanese manufacturer standard and offers better workability on cold and high temperature engine operation including good detergency to maintain engine cleanness.
